Welcome! 337 is intended to be your first introduction to abstract mathematical analysis. The prerequisites for it are 237, 307, and 310 with a grade of C or better. I hope that this course will give you a glimpse of what techniques and thought processes are involved in doing mathematical research. Don't let that frighten you! Keep up! Do the proofs and homework carefully and come see me whenever you have problems. Office hours are your time not mine.

Learning Outcomes:

Upon completion of Math 337 a student will be expected to:

- have a basic understanding of introductory mathematical analysis.
- be able to perform proofs using mathematical induction and contradiction.
- know the basic concepts concerning the real number system and functions of real variables.
- have learned more about sequences and series.
- have a good understanding of limits, continuity, and elementary Topology.

There will be homework assigned daily, which will be taken up occasionally and without warning. Be ready. There will be three tests and a final. Your grade will be determined as follows:

Homework	20%
Test (3)	60%
Final	20%

Textbook: **Analysis with an Introduction to Proof**, Fifth Edition by Steven R. Lay

Course Outline:

Chapter	Days
1	2
2	4
3	5
4	3
5	4
8	2
Selected Topics	3

The dates of the exams are as follows.

Thurs. Sept 22

Thurs. Oct 20

Thurs Nov 10

Final (comprehensive) Tues. Dec 6, 10:30-12:30

- The Learning Center (TLC) Should you require academic assistance with your WKU courses, The Learning Center (located in the Downing Student Union, 2141) provides free supplemental education programs for all currently enrolled WKU students. The Learning Center at Downing Student Union offers certified, one-on-one tutoring in over 200 subjects and eight academic skill areas by appointment or walk in. Online tutoring is offered to distance learners. TLC is also a quiet study area (with side rooms designated for peer-to-peer tutoring) and a computer lab to complete academic coursework. Please call TLC in the Downing Student Union at (270) 745-5065 for more information or to schedule a tutoring appointment. www.wku.edu/tlc

. Libraries:

1. WKU Libraries has subject specialist faculty members who work with every department and program on campus.
2. Students can make an appointment with the subject specialist faculty librarian any time they have a paper or project.
3. As your own personal librarian, the subject specialist library faculty member sit down with students and helps them get started with their research, makes sure the students know how to use the online resources, etc.

. Students with disabilities: In compliance with university policy, students with disabilities who require accommodations (academic adjustments and/or auxiliary aids or services) for this course must contact the Student Accessibility Resource Center (SARC) in Downing Student Union 1074. The SARC telephone number is (270) 745-5004; TTY is (270) 745-3030. Per university policy, please DO NOT request accommodations directly from the professor or instructor without a letter of accommodation from the SARC.
