

# Spelling Minor Scales-Part Two

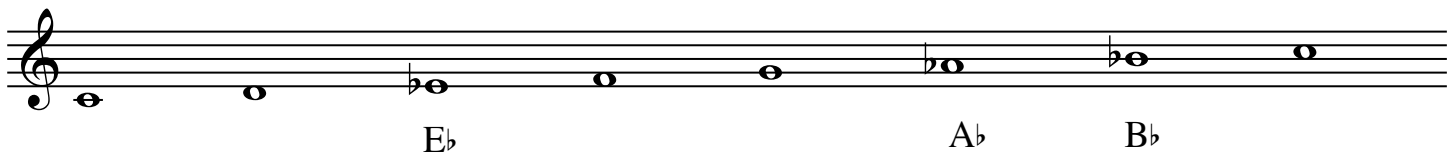

You can also spell minor scales quickly using KEY SIGNATURES.

To spell a natural minor scale, use only the accidentals in the corresponding key signature.

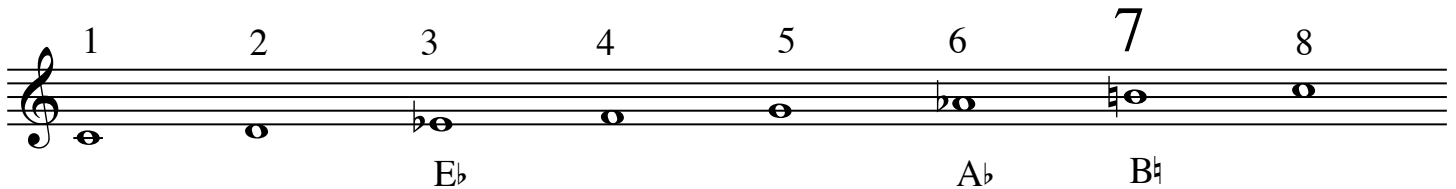

For example, to spell C NATURAL minor, think of the c minor key signature:

Then use these accidentals to spell a scale beginning on C:

To spell a C HARMONIC minor scale, begin with the accidentals from the minor key signature, but then raise the 7th note in the scale ONE HALF STEP:

To spell a C MELODIC minor scale, begin with the accidentals from the minor key signature, but then raise the 6th AND 7th note in the scale ONE HALF STEP:
