

ALL THROUGH THE NIGHT

Michael Kallstrom (b.1956)

Andante ♩ = 60

Voice

All through the night, I'm waiting for the light, a

crys-tal smile that's cast u - pon the sea. All through the night, the

stars are mold - ering white, a shimmering dance though all e - ter - ni - ty.

All through the night, the music's burn - ing bright, a simple song, ce - les - tial symphon - y.
