Volunteer Adolescent Clients  
PSY 660

I, \_\_\_\_\_, hereby acknowledge that I have received and understand the *Disclosure Statement* and *Client Rights and General Information* documents which were given to me on \_\_\_\_\_. I further acknowledge that I understand that I am giving permission for my child, \_\_\_\_\_, to participate in a personality assessment which includes assessing cognitive ability, academic achievement, visual-motor skills, and characterological aspects of myself or my child. Specifically, I understand:

- \_\_\_\_\_ 1. My child will be assessed by a graduate student under the supervision of Frederick G. Grieve, Ph.D. I understand that Dr. Grieve has a doctorate in clinical psychology and is currently licensed as a Health Service Provider in the state of Kentucky.
- \_\_\_\_\_ 2. I understand that although personality assessments are a routine part of psychological services and pose a very minimal threat to those involved, in rare instances during the course of evaluation issues previously forgotten may be remembered with some psychological discomfort.
- \_\_\_\_\_ 3. I understand that I may contact Dr. Grieve at (270) 745-4417 if I have concerns that cannot be resolved with my student examiner.
- \_\_\_\_\_ 4. I understand that my child will be engaging in personality assessment purely for the training of graduate psychology students. The protocols, audio tapes, and video tapes of this assessment may be used in the future for educational purposes. I understand that all identifying information other than age, sex, and ethnicity will be removed from all documents used in the future. I also understand that the audio or video tapes are not part of my child's clinical record and, as such, I will not have access to them.
- \_\_\_\_\_ 5. I understand that the personality assessment will be conducted over at least five sessions, which is not how such assessments are typically performed.
- \_\_\_\_\_ 6. I understand that I will not be provided feedback on my child's performance on the measures unless significant risks are discovered.
- \_\_\_\_\_ 7. I have the address of the Kentucky Board of Examiners of Psychology and know that I may contact them at any time if I have serious concerns about my child's evaluation. I further understand that if the results of this evaluation are shared with me, they will be discussed only in general terms and will not be available for third party use.
- \_\_\_\_\_ 8. I understand there will be no charge for this evaluation and that I may discontinue at any time.
- \_\_\_\_\_ 9. I understand that sexual intimacy is never part of a therapeutic relationship and that any such behavior should be reported to the Kentucky Board of Examiners of Psychology.
- \_\_\_\_\_ 10. I understand that any information I discuss with the evaluator under the supervision of Dr. Grieve cannot be held in legal confidence. I understand that the student evaluator cannot and will not disclose any information to any outside party without my written consent, **EXCEPT** for threats of harm my child makes toward others, suicide plans, or disclosures of serious harm to my child from others.
