

WKU MATHEMATICS SYMPOSIUM

Presentation Abstract: -- Welcoming Remarks with Presentation

Esoteric Renditions of Celebrated Theorems. JAMES B. BARKSDALE, JR., Department of Mathematics, Western Kentucky University, Bowling Green, KY 42101.

The Pythagorean theorem, the Law of Cosines, and the Parallelogram Law all epitomize the notion of a celebrated theorem. This presentation demonstrates how such celebrated propositions can be implemented to create esoteric renditions of such fundamental laws.
