

PSY 442 Take Home Questions 3

Directions: Answer one of the questions from each section. Questions in Section A can be answered in approximately 2 to 2½ pages and are worth up to 15 points. Questions in Section B can be answered in approximately 1 to 1½ pages and are worth up to 10 points. Questions in Section C can be answered in approximately 1 page and are worth 5 points. Your answers should be typewritten and double-spaced. Make sure your responses adequately address all aspects of the question. Be sure to review the web page for specific directions and guidelines for answering questions. **Your name should only appear on the Identity Code Sheet, which should be stapled to the back of your answers.**

Answers are due on Friday, April 27, 2018, at the beginning of class time.

Section A

1. Carl Rogers proposed three “necessary and sufficient” conditions for psychotherapy. Describe each of these factors, including a brief discussion on the research support for each. Finally, provide an argument as to whether the conditions are both necessary and sufficient.
2. Describe three areas covered by the Mental Status Examination. Discuss the material that is presented in each of these areas and describe why this information is useful to the clinician.

Section B

3. Pretend that you are a professional (i.e., you have graduated with your master’s degree) and have a new client coming in for therapy. Describe in detail the things you would cover with that client in the first session.
4. When clients and therapists have difficulties, it is called a relationship rupture. Discuss three different ways you as a therapist could repair a rupture with your client.

Section C

5. Create a pamphlet that provides information about help available to those who are suicidal. This pamphlet is for therapists to give to clients who are experiencing suicidal ideation but are not yet to the point of hospitalization.

Bonus Point Opportunity

6. Point your browser to <https://www.youtube.com/watch?v=ztMZ04GUXqE>. Watch Stephen Colbert’s interview with John Cena and then create a Behavioral Observations paragraph for Cena as a client based on what you saw in the interview. (5 points)

Create an Identity Code:

Give me a code that is at least 5 digits in length. There should be both letters and numbers in this code. (I reserve the right to ask people to change their codes if necessary.)

Write your Identity Code here: _____.

Attach this sheet to the back of your answers. Your name should not appear anywhere else in your answers.
