

PSY 701 Take Home Question Set 1

Directions: Answer the following questions for 5 points each. Use APA style, including references where appropriate, in the answers. You do NOT need a title page or running heads. Be sure to provide sufficient detail in your answers to demonstrate your understanding of the issues but be sure to avoid adding “fluff” to “pad” your answers. Answers are due to Dr. Grieve at the beginning of class on Wednesday, September 4, 2024.

- 1) Describe the factor structure of the Wechsler Adult Intelligence Scale (WAIS). Describe each of the indices included in the test and discuss what each evaluates. Include a discussion of the standard scores for the WAIS.
- 2) Discuss three things that you can do to manage disruptive children during assessment.
- 3) Compare and contrast structured, unstructured, and semi-structured interviews. Include a discussion of the advantages and disadvantages of all three. Which type of interview do you believe will work best for you?
