WHAT IS A VITA

- Like a resume
- Why you need one
- When you need one
- Why creating one right now is a GOOD idea
- How to title it (vita vs. curriculum vitae)

2

GENERAL POINTS

- There is no single right way to create a vita
 - Do what works for you
- This is a professional document
 - Remember, other people will make decisions about you based on your vita
 - So, choose wisely
 - Use a professional font
 - o Times New Roman, Arial, Lucida Bright
 - Avoid unprofessional fonts
 - o Comic sans, Allegro, Old English Text
 - I also avoid Courier (YUCK)
- Use APA Style when you can
- $\, \bullet \,$ Yours will be short
